

2023-24 Donation Form

Brandon's Food for Thought Program

Food insecurity has grown in the past 3 years with inflation & rising food costs. Current statistics: 1 in 5 students are at risk of attending school hungry. Our mission is to ensure all school aged children have an opportunity to eat a nutritional breakfast or snack and be better prepared to learn throughout the day at no cost to the participants and that no child should have to attend school hungry.

We are currently feeding over 842 students a day – a record number in the history of our 25-year program. The necessary funds to run the program are raised through donations and grants and we are asking for your support. We are a non-profit organization and all donations are tax-deductible.

Our program also accepts online donations if you would like to use a credit card. Visit our website at brandonsfoodforthought.com and click on the donate now button (top right corner).
